MEMORANDUM FOR: [redacted]
Chief, Building Maintenance & Utilities Division
FROM : Office of the General Counsel
SUBJECT : The Installation of a Buzzer System

1. The attached chart gives the necessary details for the installation of a buzzer system in our offices in rooms 2066, 2064, and 2062 "J" Building. This memorandum also confirms our recent telephone conversation in regard to the above subject.
2. It would be of great service to the entire office.
